KYC

Welcome to your account!

Here you will be able to deposit funds and purchase MODL Tokens.

YOUR REFERRAL LINK

<https://tokensale.modltoken.io/?ref=0097845ca13934eb6725223c>

COPY LINK

This is your MODL referral link. You can use it to share the project with your friends and other interested parties. If any of them sign up with this link, they will be added to your referral program. Your reward amounts to 0% of all MODL tokens purchased by your referrals.

STEP 1

Plan your MODL tokens purchase

You can buy MODL tokens using BTC, ETH, BCH, LTC, DASH, ZEC, or USD.

The calculator is provided for your convenience. You can enter a number of MODL tokens you want to buy and calculate the amount you would need to have in your account wallets.

If you want to purchase MODL tokens with any currency other than BTC, please note that the price of the tokens will be calculated at the time of the actual token purchase and not at the time of the funds deposit.
